## Material Safety Data Sheet

### ORANGE - 13

#### 1. Identification of Substance/ Company Undertaking

Chemical Name - Pigment Orange 13  
Use of the substance - Colorants for Inks, Paints, Coatings, Textile, Plastics

Company Identification : Veeto Hobbies India  
Address : Plot No. 413, HSIIDC Industrial Area,  
Saha, Ambala, Haryana  
Emergency phone : +91-7027002328  
Business phone : +91-7027002329

#### 2. Hazardous Identification

Hazardous for humans and Environment : Not Applicable

#### 3. Information on Ingredients

Name : Pigment Orange 13  
CAS No : 3520-72-7  
C.I.N : 21110

#### 4. First Aid Measures

In case of Inhalation - Move to fresh air. Take Doctor advise for any complaints.  
In case of Skin Contact - Wash with soap and water.  
In case of Eye Contact - Immediately flush eyes with water for at least 15 minutes. If discomfort persists, seek medical attention.  
In case of Ingestion - Rinse Mouth with water. Take medical attention.

## 5. Fire Fighting Measures

Extinguishing media - Co<sub>2</sub>, powder or water spray, fight larger fires with water spray or alcohol resistant foam.

Protective equipment - Wear safety guards and fully protective suit

## 6. Accidental Release Measure

Measures for environmental Protection: Dilute with plenty of water. Do not allow to enter sewers / surface / ground water.

Large Spill : Dilute with plenty of water. Do not allow to enter sewers / surface / ground water Vacuum or sweep up material and place in a designated, labelled waste container.

Measures for Cleaning/collecting: Absorb with liquid-binding material. Additional information: No dangerous substances are released.

## 7. Handling and Storage

Handling - Avoid Contact with Eyes, Skin and Inhalation of Dust (No special measures required)

Storage - Store in dry and cool conditions. Ensure proper ventilation, avoid dust formation.

## 8. Exposure control/ Personal Protection

General Protective and Hygienic Measures- The usual precautionary measures are to be adhered to when handling chemicals.

Protection of Hands - Wear Protective Gloves

Material of Gloves - Rubber Gloves

Eye Protection - Tightly Sealed Goggles

Body Protection - Wear Protective Clothing

Ingredient with limit values that require at the workplace: Not required

## 9. Physical & Chemical Properties

Specific Gravity (20°C)	:1.40
Oil Absorption	: <50cc
Sieve Residue (300 Mesh)	: 1% max.
Moisture Content	: <1%
Water Soluble	: 1 % max
pH of Aqueous Solution	:7
Powder Appearance	: Dry Orange Powder
Hazardous Ingredients	: None
Toxicological properties	: Non toxic
Danger of explosion	: Product does not present an explosion
Melting Point (°C)	: Undetermined
Boiling point (°C)	: Undetermined

## 10. Stability & Reactivity

Stability - Stable under normal Condition

Thermal decomposition - No decomposition if used according to specifications

Dangerous reactions - No dangerous reactions

Dangerous decomposition product - No dangerous decomposition products

## 11. Toxicology Information

On the skin - Not irritant (From Data)  
On the eye - Not irritant (From Data)  
Sensitization - No sensitizing effect known (From Data)

When used and handled according to specifications, the product does not have any harmful effects.

## 12. Ecological Information

Persistence and degradability : There is no associated data known

Bio accumulative potential : There is no associated data known

Mobility in soil : There is no associated data known

The generation of waste should be avoided or minimized wherever possible. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe way.

## 13. Disposal Consideration

The generation of waste should be avoided or minimized wherever possible. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe way.

## 14. Transport Information

Transport information - Not dangerous according to the above specifications.

Land transport - NIL (As per ADR/RID class regulation)

Maritime transport - NIL (As per IMDG class regulation)

Air transport - NIL (As per ICAO/IATA class regulation)

## 15. Regulatory Information

This MSDS has been prepared according to Non Hazardous criteria and contains all required information.

## 16. Other Information

The information and recommendations contained herein are, to the best of **our** knowledge and belief, accurate and reliable as of the date issued. You can contact **Veeto Hobbies India** to ensure that this document is the most current available from **Veeto Hobbies India**. The information and recommendations are offered for the user's consideration and examination. It is the user's responsibility to satisfy himself that the product is suitable for the intended use. If buyer repackages this product, it is the user's responsibility to ensure proper health, safety and other necessary information is included with and/or on the container. Appropriate warnings and safe- handling procedures should be provided to handlers and users. Alteration of this document is strictly prohibited. Except to the extent required by law, re- publication or retransmission of this document, in whole or in part, is not permitted.
